WE TAKE PRIDE IN OUR BBQ!

We are happy to bring our own style to the market. Our flavors are a blend of Kansas, Carolina's and Texas which brings you Smokin' Notes!

We smoke our meats fresh everyday for up to 12 hours. This time-consuming process will give the meat a pink tinge called a "smoke-ring" and is an indicator of authentic BBQ. It also means we can only prepare limited quantities of our products each day which may result in the products availability. Thanks for your understanding - Nick
